Date: 26/04/2022

CORRIGENDUM

E-TENDER NO: APGCL/DGM(Proc)/e-Tender/2022-23/01.

Name of Work: Procurement and Supervision of Installation & Commissioning of Air Intake Filter for the Gas Turbine Unit of 1X100 MW Namrup Replacement Power Project.

Refer to Clause No. F-10 under the heading "Test Certificate" of the APGCL Tender Document:

This Clause is amended to the extent as given below:

Clause: F (10) Test Certificate: The Contractor will be required to furnish a THIRD PARTY Test Report as per AS PER EN 779 for the supplied item at the time of delivery of material at NRPP site.

Also, bidders must submit END USER CERTIFICATES of their supplied air intake filters from clients during the past 07 (seven) years along with the technical bid. The minimum number of END USER CERTIFICATE to be submitted is 03 (three) numbers. Such END USER CERTIFICATES should have been issued by client to the bidder only after a minimum period of 08 (eight) months had elapsed from the date of installation of the air intake filters in the respective gas turbine units of clients in order to ascertain the performance of the supplied air intake filters of the bidder.

Note: Such END USER CERTIFICATES are to be submitted along with technical bid by the bidder.

Other terms & conditions of the tender shall remain the same.
